An Invitation to Sponsor ISDEAS 2027

We invite you to partner with us in making ISDEAS 2027 a meeting that goes beyond sharing knowledge - a meeting that inspires new ideas, meaningful connections and the opportunity to help shape what comes next in oesophageal surgery.

Set against the stunning backdrop of Crystalbrook Byron in Byron Bay, this year's symposium invites delegates to pause, rethink and redefine oesophageal surgery. We will examine where the field stands today, challenge established approaches, and look ahead to where it is heading next.

The program will address the critical issues shaping contemporary practice, including:

- Current approaches to oesophageal cancer management
- Re-examining hiatal hernia surgery
- Novel techniques and advances in the treatment of oesophageal disease
- Future directions and emerging opportunities in oesophageal surgery

Partnering with ISDEAS 2027 provides a valuable opportunity to connect with key decision-makers and showcase your commitment to innovation and advancing patient care.

With an anticipated 55–70 attendees and a limited number of industry partners, sponsors will have meaningful opportunities to promote their organisation, engage directly with attendees and build valuable connections.

We offer a sponsorship package designed to align with your marketing objectives and provide a strong platform to maximise your presence at the meeting.

We are extremely grateful for the support of our industry partners. Your contribution helps us create a high-quality, engaging and impactful meeting for our delegates and plays an important role in advancing the future of oesophageal surgery.

Thank you for considering supporting ISDEAS 2027.
